NEWS RELEASE

Statement from USASF

Memphis – October 12, 2020 - Protecting athletes is our top priority and we are constantly looking for ways to improve our processes. We have contracted a third party to review current policies and recommend improvements if needed. In addition, USASF is teaming up with USA Cheer to develop a common reporting and athlete protection system for all cheer programs, not just USASF members. We are also expanding our efforts to address bullying and racism. Our goal always has been, and continues to be, to promote a safe, competitive atmosphere for our athletes and all cheer and dance athletes everywhere.
