

For USASF coaches, membership is framed by the Professional Responsibility Code and the strengthened application requirements and core curriculums at the heart of our standards. USASF coaches have direct access to SafeSport™ athlete protection education, NCSI background screenings, rules and progression videos, coach credentialing, enrichment programs, and more.

MEMBERSHIP BENEFITS FOR THE COACH

- Eligible to participate in the building and tumbling credentialing process which designates professionals having met the industry standard requirements per each level of coaching.
- Baseline Credentialing Course covering eligibility requirements, minor abuse prevention training and sports-related medical topics.
- Access to members-only resources:
 1. USASF Coach App through which videos of skills may be submitted to verify legality.
 2. USASF video library of rules and glossary terms.
 3. Legality official training to enhance knowledge of rules.
 4. THE CONNECTION which offers a mentorship program and online chat forum of industry professionals.
- Eligible to participate in USASF-sanctioned events.
- USASF digital ID card with background screening green light determination, SafeSport™ training status and level credentials.
- Inclusion in USASF.net's directory of professionals with designations for building and tumbling credentialing, background screening green light determination and SafeSport™ training.
- Eligible to participate in USASF enrichment opportunities:
 1. professional development and leadership courses offered at the USASF National Meeting.
 2. professional committees that shape the future of All Star.
 3. continuing education through credentialing and legality official training.
- **NEW!** Enrollment in the USASF Member Perks Program. Visit [USASF.net/perks](https://www.usasf.net/perks).
- \$2 million catastrophic accident insurance.
NOTE: Coverage only applies to on-site practices and competitions at USASF-sanctioned events and at supervised practices and instruction in member clubs.
