

COLLEGE SCHOLARSHIP PROGRAM

2021 USASF SCHOLARSHIPS AWARDED

Since 2008, the USASF has awarded scholarships to outstanding college-bound senior athletes. Each scholar selected is well-rounded in academics, leadership, integrity and excellence and exemplifies a remarkable commitment to sportsmanship in the All Star cheer and dance community. In 2021 scholarships totaling \$46,500 were awarded to 16 athletes, including the first recipient of the USASF Exceptional Athlete Scholarship.

The USASF Scholarship Fund was established in 2008 through a collaboration among the USASF and affiliate partners to support member athletes in their collegiate pursuits. All finalists receive a minimum of \$2500 with the runner up receiving \$3500 and the winner \$5000. Overall, the USASF has awarded over \$500,000.

"We are pleased to award these scholarships which have furthered our mission to enrich the lives of our athletes," says Gena Evans, Director of USASF Corporate Alliance and Scholarship Programs. "It's gratifying to support these incredible athletes in such an impactful way."
