

# RULES AND REGULATIONS

## I. GENERAL EVENT AND COMPETITION GUIDELINES

- A. Athletes at The Dance Worlds may not perform more than five times and must represent the same program. Athletes may not compete in more than one routine in the same category and division. Example: A dancer may not compete in two Senior Small Pom routines.
- B. Teams may not use Walt Disney World® themes, nor may they have costumes that resemble a Walt Disney World® character. However, Walt Disney World® music is acceptable if music licensing guidelines are followed.
- C. Routine performance time may not exceed two minutes and fifteen seconds (2:15), and may not be less than one minute and forty-five seconds (1:45).
- D. Each team is required to assign a responsible adult who knows the routine and music to stay at the music station during the team's performance. This representative is responsible for starting the music and stopping the music in case of technical malfunction or injury. Please make sure that all devices are fully charged, placed in airplane mode, and the volume is turned up. If using a CD, make sure it is free of scratches to avoid skipping.
- E. The performance floor surface will be a Marley floor with a center line from the front to the back. The entire floor is 53.7 feet wide and 50 feet deep. The Marley floor is comprised of 10 strips, each 5 feet 3.5 inches wide.
- F. For the safety of all competitors, teams may not alter the performance surface (i.e. use of powder, flakes, etc.).
- G. Athletes shall use the designated stage entrance and exit areas only.
- H. All center markers are prohibited. All performance surfaces will have the center marked.
- I. The competition is scheduled to be held at the ESPN Wide World of Sports® Complex.
- J. The competition officials shall have the right to alter the time and location of the competition in the event changes become necessary due to inclement weather, facility problems, video production requirements, or any other situation deemed by the competition officials to be essential to the successful execution of the competition.
- K. Use of fire, noxious gases, live animals, and other potentially hazardous elements are strictly prohibited.

## II. PERFORMANCE BEHAVIOR

- A. Athletes are expected to exhibit the utmost sportsmanship, respect, and support throughout the entire event.
- B. From team introduction, competitors are expected to take the floor within 30 seconds and assume starting position of the routine. At the conclusion of the routine, competitors are expected to exit the performance floor immediately, within 30 seconds.
- C. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized. All facets of a performance, including choreography and music, should be appropriate and suitable for family viewing.
- D. Athletes with bare midriff and/or upper leg (i.e. leotard or costumes without shorts) must wear a suitable cover up over the costume unless in the warm-up area, on deck, or on the performance stage.

## III. INTERRUPTION OF PERFORMANCE

Competition officials reserve the right to interrupt a team's routine at any time deemed necessary and not covered by items A, B, or C.

### A. Unforeseen Circumstances

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

### B. Fault of Team

1. In the event a team's routine is interrupted because of failure of the team's own equipment and/or music, the team must continue the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

### C. Injury

1. Persons that may stop a routine for injury are: competition officials, the program owner/head coach from the team performing, or an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The injured athlete that wishes to perform may not return to the competition floor unless:
  - a. The competition officials receive clearance from, first, the medical personnel attending to that athlete, the parent/guardian (if present), AND THEN the head coach/owner of the competing team.
  - b. If the medical personnel do not clear the athlete, the athlete can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.
  - c. In the event of a suspected concussion, the athlete cannot return to perform without clearance from a medical doctor or designated official specifically trained in concussion management, even with a waiver from a parent or legal guardian.

## IV. HOW TO HANDLE PROCEDURAL QUESTIONS

Any question concerning the rules or procedures of the competition will be received only from one designated representative of the team (coach, director, etc.) and should be directed to a competition official. Such questions should be made prior to the team's performance. Any questions concerning the team's performance should be made to a competition official immediately after the team's performance.

## V. INTERPRETATIONS AND RULINGS

Any interpretation of any aspect of these rules and regulations or any decision involving any other aspect of the competition will be rendered by the event officials. The event official and judges will render a judgment in an effort to ensure that the competition proceeds in a manner consistent with the general spirit and goals of the competition.

## VI. FINALITY OF DECISIONS

By participating in The Dance Worlds, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative, or procedural review of such decisions.

## VII. SPORTSMANSHIP

All athletes agree to conduct themselves in a manner displaying good sportsmanship throughout and following the competition. The owners, directors, and coaches of each team are responsible for seeing that team members, coaches, parents, and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document.

## VIII. DEDUCTIONS AND DISQUALIFICATIONS

Any team in violation of USASF and/or IASF Dance Rules will be assessed a penalty between 0.1 and 5.0 points off the final score.

## IX. SCORES AND RANKINGS

Individual judge's score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to program directors, coaches and owners at the conclusion of the competition.

## X. IN THE EVENT OF A TIE

- All USASF Senior Club Divisions will NOT break ties for teams moving to the next round or FINALS placements including Bronze, Silver, and Gold.
- All IASF Open and Junior Divisions WILL break ties for teams moving into FINALS. In such cases, event officials will look at the tied teams' raw scores per judge to see which team was ranked higher most often. Whichever team ranked higher more often will receive the higher ranking. All IASF Open and Junior Divisions will NOT break ties for FINALS placements including Bronze, Silver, and Gold.
