

CHAMPIONSHIP EXPERIENCE

UPDATES

Read before you register!

January 29, 2022 *original release*

February 28, 2022 *revised*

PARK RESERVATIONS – Disney Park Pass System

- **NEW:** If you purchase a Magic Your Way Ticket with Park Hopper® Option from The Cheerleading/Dance Worlds registration site, you will be able to make a reservation for at least one of the theme parks. It is a possibility that some parks may reach capacity so we strongly recommend you register / pay early so you can get your tickets and book your reservations for your top choices. If the first park you would like to attend reaches capacity, you can make a reservation for another park and then “hop” to your top choice after 2pm that day.
- To help manage park capacity, the Walt Disney World Resort has introduced the Disney Park Pass service, a new theme park reservation system. Once you register and pay in full, you will receive a ticket order confirmation number in 7-10 business days via email with details on how to make your reservation, including how to create your account, make park reservations and how to use MagicMobile.
- In order to make your theme park reservations, you will need a My Disney Experiences account and valid theme park admission linked to it. Then, simply log into your account and select the dates and theme parks you wish to visit. To enter a theme park, both a reservation and valid admission for the same park on the same date are required. Please note that reservations are limited in capacity, subject to availability and are not guaranteed until confirmed.
- Please note that **NO** changes/upgrades are possible after ticket orders have been placed. And remember, no Disney Park Hopper tickets will be sold on site during registration.
- You do not need a reservation to enter ESPN Wide World of Sports, but your tickets must be linked to your My Disney Experience app in order to enter.

PREPARING FOR TRAVEL and ON SITE

- All athletes and coaches **MUST** complete a release waiver form and turn them in at registration at the hotel. Spectators are not required to turn in a release waiver.
- All attendees are expected to consider whether a traveler is or will be fully vaccinated for COVID-19 before your trip dates. According to CDC guidance, persons should wait two weeks after completing vaccination for COVID-19 before traveling. Vaccination is not required and documentation of vaccination will not be collected by or provided to Disney or Worlds staff.
- All attendees are expected to confirm that each traveler, not fully vaccinated, has a negative viral test taken no more than one to three days before travel. Test results will not be collected by or provided to Disney or the Worlds staff. Any members of your group with confirmed positive test results cannot travel to the Walt Disney World Resort.
- It is expected that all members of your group, not fully vaccinated, 10 days before travel, follow strict CDC guidelines, including physical distancing, wearing face coverings when not at home, avoiding unnecessary travel, and refrain from indoor social gatherings with people outside of their households, to reduce the exposure of COVID-19.
- Before traveling to Florida, please make sure that you have reviewed any advisories or restrictions that may be in place for travel to Florida. [CLICK HERE](#) for information.

- Stay home if you:
 - are experiencing any of the following symptoms of COVID-19 identified by the CDC: cough, shortness of breath or difficulty breathing, fatigue, fever or chills, muscle pain or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, new onset of nausea, diarrhea or vomiting.
 - have been in contact with someone with confirmed or suspected COVID-19 symptoms without completing a 10-day quarantine.
 - are under any self-quarantine order.

SAFETY CHAMPION

- Each team, regardless if you are staying on the hotel travel package or a commuter, will need to designate one person (other than the head coach) to be your Safety Champion. This person will need to be confirmed upon registration, over 18 years of age and willing to participate in additional safety training from the Walt Disney World Resort prior to the event. Each team is required to have a separate Safety Champion (Ex: If you bring two different teams from the same program, you need two different designated individuals.)
- Some of the Safety Champion's responsibilities include (but are not limited to):
 - Ensuring the athletes, coaches and spectators of your team follow the health and safety requirements such as face coverings indoors, etc.

If someone in your group self-identifies that a team member has tested positive for COVID:

- The coach should report the positive case to team Safety Champion. Team Safety Champion reports to the Worlds compliance manager.
- It is the Walt Disney World Resort's policy that if a resort guest confirms they have tested positive for Covid, all guests in the room must isolate or quarantine for five days, and their tickets will be blocked for that period.
- For all other individuals in close contact, CDC guidelines related to quarantine will be followed. At the time of the event, if CDC guidelines do not require vaccinated individuals to quarantine, vaccinated team members that are not roommates of the positive individual may still compete.
- The coach or other authorized adult of the team is responsible for adhering to this policy.
- All vaccinated individuals in close contact with the positive case must wear masks, except for athletes when on the practice and performance floors.
- Unvaccinated individuals in close contact with the positive case must quarantine and may do so in their booked hotel or check out and quarantine where they choose.

EXPERIENCE UPDATES

- **FACE COVERING REQUIREMENT:** Guests who are not fully vaccinated will be expected to continue wearing face coverings indoors. This includes upon entering and throughout all indoor venues, attractions, registration tents and indoor queues. Face coverings will continue to be required for all Guests on enclosed Disney transportation, regardless of vaccination status. A mask is expected to be worn at all times inside venues for non-vaccinated athletes except when on the warm up floor and performance floor. To learn more, please visit <https://disneyworld.disney.go.com/experience-updates/>. *Revised 2.28.2022.*

SPECTATOR VIEWING

- At this time, there is no limit on spectator viewing but we will continue to monitor the situation. Spectators must wear face coverings while inside all venues and Championship tents and comply with Disney's face covering policy.

VISITING THE WALT DISNEY WORLD RESORT THEME PARKS and RESORT HOTELS

POLICIES

Prior to traveling:

- We expect you to consider whether a traveler is or will be fully vaccinated for COVID-19 before your trip dates. According to CDC guidance, persons should wait two weeks after completing vaccination for COVID-19 before traveling. Vaccination is not required and documentation of vaccination will not be collected by or provided to Disney.
- We expect you to confirm that each traveler, not fully vaccinated, has a negative viral test taken no more than one to three days before travel. Test results will not be collected by or provided to Disney. You are required to prohibit any members of your group with confirmed positive test results from traveling to Walt Disney World Resort.
- We expect that all members of your group, not fully vaccinated, 10 days before travel, follow strict CDC guidelines, including physical distancing, wearing face coverings when not at home, avoiding unnecessary travel, and refrain from indoor social gatherings with people outside of their households, to reduce the exposure of COVID-19.
- Are experiencing any of the following symptoms of COVID-19 identified by the CDC: Cough, shortness of breath or difficulty breathing, fatigue, fever or chills, muscle pain or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, new onset of nausea, diarrhea or vomiting.

Stay home if you or other members of your party:

- Have been in contact with someone with confirmed or suspected COVID-19 symptoms without completing a 10-day quarantine.
- Are under any self-quarantine order.

FACE COVERINGS:

Guests who are not fully vaccinated will be expected to continue wearing face coverings indoors. This includes upon entering and throughout all indoor venues, attractions, registration tents and indoor queues. Face coverings will continue to be required for all Guests on enclosed Disney transportation, regardless of vaccination status. A mask is expected to be worn at all times inside venues for non-vaccinated athletes except when on the warm up floor and performance floor. To learn more, please visit <https://disneyworld.disney.go.com/experience-updates/>.

Please visit <https://disneyworld.disney.go.com/experience-updates/#drawer-card-faceCoverings> for the latest updates and details related to face coverings.

HANDWASHING PROCEDURES:

- The CDC recommends washing your hands with soap and water for at least 20 seconds.
- If you cannot get to a hand washing station or a restroom, you can use hand sanitizer with at least 60% alcohol.

These are necessary measures to make sure that you and your group can enjoy your time at the Walt Disney World Resort. What's most important is that you are keeping yourself, your fellow travelers, friends and family healthy and safe. An inherent risk of exposure to COVID-19 exists in any public place when people are present. You may also check disneyworld.disney.go.com/experience-updates/ for the latest updates and details.
