## BID REQUIREMENTS

Event producers will publish the procedures they will follow for awarding bids prior to the start of their qualifying competition. An event producer may not award more than one bid and/or type of bid to the same team.

## CREDENTIALING REQUIREMENTS AT BID EVENTS

All cheer teams competing for a bid to The Cheerleading Worlds 2022 are required to have a coach, or combination of coaches, with credentials in both building and tumbling up to the level of the team. This may be one coach with both skill sets or a combination of coaches who have both skill sets between them. Non-tumbling teams are required only to have a coach with building credentials up to the level of the team. The appropriately credentialed coach(es) must be on the roster and present in the warm-up room at the bid-giving event.

## PAID BIDS

Paid bids are awarded at The Cheerleading Worlds qualifying events. Each event producer that hosts a Worlds bid-qualifying event has the discretion to select the processes by which the bids are awarded. Paid-bid sponsors may award up to \$650 per athlete and two coaches on a bid-winning team. For example, a bid-winning team that had two coaches and 31 athletes on the floor at the bid-winning event could be awarded up to \$21,450. The paid-bid sponsorship funds are not prize money and they are to be used towards the team's USASF Worlds registration package, lodging and/or transportation to Orlando to participate at The Cheerleading Worlds. NOTE: If the Cheerleading Worlds event is cancelled for any reason, the paid bid sponsorship funds must be returned to the Event Producer who awarded the funds. Additional expenses incurred will be the responsibility of the team/program. Event producers will not be responsible for late fees if their representing team does not meet the registration deadline. Event producers will not be responsible for added change fees if the representing team has to make changes to the original registration and/or travel.

Paid bids are for athletes who will be on the floor during the team's performance at The Cheerleading Worlds. Reserve athletes or coaches brought to substitute for unplanned occurrences are not covered by paid bids and will not be funded by the sponsoring event producer. Should a substitute and/or an alternate become necessary after submission of a team's Worlds roster and after travel plans have been approved and confirmed, any additional costs associated with those substitution(s) must be paid by the program.

## AT-LARGE BIDS

At-large bids are generally awarded to runner-up teams or teams scoring next highest to the paid-bid-winning team(s). Recipients of at-large bids must pay for their own Worlds registration packages and all other related expenses.

## USASF WORLDS DIVISIONS (continued)

### DEADLINE FOR BID ACCEPTANCE

Paid-bid winners and at-large bid winners who choose to accept their bids must do so within 72 hours after the last day of the bid-receiving event. The process to ACCEPT a bid includes:

1. returning the *Bid Winners Acceptance Form* to the sponsoring event producer, and
2. updating the Worlds Bid section in your USASF program membership profile.

Therefore, prior to competing in a Worlds bid-qualifying event, each team will need to decide whether it will accept the bid should they receive one, who will be going, and what the travel specifics will be. The purpose of this tight timing is to control last-minute changes that increase costs and make the entire travel experience disorganized.

Once a team accepts a bid, all required registration materials must be completed by the deadlines noted on page 13 of this guide. Any team holding its registration past the deadline in hopes of receiving a paid bid at a later Worlds bid qualifier, but is ultimately unsuccessful in achieving one, will be charged a late registration fee.

Bids that are not accepted or declined within the 72-hour deadline may be transferred to an alternate team at the sponsoring event producer's discretion. The sponsoring event producer may not transfer (hand down) any unaccepted or declined at-large bids after 96 hours from the last day of their qualifying event.

### DIVISION AND TEAM SIZE REQUIREMENTS AT WORLDS

A team that receives and accepts any type of Worlds bid must compete at Worlds in the same division they competed in at the qualifying event where their bid was awarded (with the exception of Limited Divisions at right). The number of athletes competing on any team at Worlds may not exceed the number of athletes that took the floor with the team at the bid-qualifying event.

### TEAM BID LIMITATIONS

A team may receive no more than one bid to The Cheerleading Worlds for any given division. If a team has already accepted an at-large bid and opts to compete for another bid, they will be eligible only for a paid bid. They will not be eligible for another at-large bid unless they decline the first at-large bid they were awarded, BEFORE competing for another at-large bid.

The process to DECLINE a bid includes:

1. writing to the sponsoring event producer,
2. writing to the USASF regional director, and
3. updating the Worlds Bid section on the dashboard of your USASF program membership profile.

### CHEER ATHLETE BID LIMITATIONS

Athletes within the same program are limited to the number of teams on which they are eligible to compete and earn paid bids. Once an athlete has competed for a team and earned a paid bid, they are permitted to move to another team within their program. If their second team earns a paid bid, they are bound to the second team and may only compete with the second team at Worlds. They no longer are eligible to compete with the first team once the second team is awarded a paid bid.

The number of athletes who previously earned a paid bid that are eligible to compete for and be awarded a paid bid on a second team is limited:

- Senior Extra Small/Coed teams may have up to three athletes that were previously awarded a paid bid.
- Senior Small/Coed teams may have up to three athletes that were previously awarded a paid bid.
- Senior Medium/Coed teams may have up to four athletes that were previously awarded a paid bid.
- Senior Large/Coed teams may have up to six athletes that were previously awarded a paid bid.
- Senior Open/Coed teams may have up to four athletes that were previously awarded a paid bid.
- U.S.-based teams in IASF divisions may have up to four athletes that were previously awarded a paid bid.

### NOTE:

Limited Division options are offered exclusively at The Cheerleading Worlds, not during regular season competitions.

### SUBSTITUTES AND ALTERNATES AT WORLDS

Each team must submit their official roster for The Cheerleading Worlds through the USASF member portal. The total maximum number of rostered active athletes permitted at Worlds will be equal to the number of athletes on the floor at the event where the bid was received. Team size may not increase after the bid was received. The program is permitted to replace original team members with substitutes and wild card alternates (reserves) so long as they do not increase the total number of athletes on the team and they follow the guidelines outlined herein.

### ORIGINAL TEAM MEMBERS

Original team members are athletes that were on the floor AND included on the official team roster at the bid-winning event.

### SUBSTITUTION RULE

A substitute must be a regular-paid athlete from the same program, on a different team, and have competed on the floor for that program at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as those of the original bid-winning event. The maximum number of substitutions allowed per team at The Cheerleading Worlds is limited:

- Senior Medium Division – 5
- Senior Large Division – 6
- Senior Open Division – 5
- IASF Divisions – 5

### CROSSOVERS

At The Cheerleading Worlds, crossovers of athletes between teams from the same program are NOT permitted. Crossovers of athletes between programs are NOT permitted. Crossovers of athletes between cheer and dance teams from the same or different programs are NOT permitted. In other words, a performer may represent only one team in cheer or one program in dance.

### RESERVE ATHLETES ON THE WORLDS ROSTER

If, for any reason, a substitute is needed to replace an active athlete on a USASF official roster, ONLY an athlete listed as a reserve athlete on the respective team's USASF official roster may be used for that substitution. An athlete attending The Cheerleading Worlds exclusively as a reserve athlete may be listed on more than one team roster within the same program. Once the reserve athlete is moved to active, they are no longer eligible to serve as a reserve athlete on any other team. The program must notify a USASF event official of the athlete replacement (moving athlete from reserve to active) prior to the team and the athlete taking the floor. Please allow adequate time for a USASF event official to verify eligibility.
